March 22, 2017

Dear Business owner,

The Kankakee Junior High School will be hosting its 1st annual Talent show in an attempt to raise money to help send low income students to STEAM and CAREER CAMP academies in the summer. STEAM is a curriculum, based on the idea of educating students in five specific disciplines: Science, Technology, Engineering, Art, and Mathematics. Students should be prepared to think deeply and to think well so that they have the chance to become the innovators, educators, researchers, and leaders who can solve the most pressing challenges facing our nation and our world, both today and tomorrow.

Unfortunately, right now, not enough of our youth have access to quality STEAM and CAREER learning opportunities and too few students see these disciplines as springboards for their careers. The Kankakee Junior High with an aggressive attempt, will try to close this gap by helping send students, who desire to attend these academies, but have financial strain, to trainings this summer with the help of your gracious assistance.

We are requesting a donation to give away in our raffle during the night of the talent show, May 3, 2017. We are asking that you can provide a gift card or something comparable to raffle and/or a monetary donation. All businesses supporting the event will be recognized on our program, in the school newsletter, and on our school marquee.

Your support would be greatly appreciated! We are excited about the opportunity this event provides our school to celebrate our students. If you have any questions, comments, or concerns, please feel free to contact me, Mrs. Latrice Grant through email @ latrice-grant@ksd111.org or phone @ 815 933-0730 Ext. 5719 or cell 815-549-1079.

Sincerely,

Mrs. Latrice Grant
