

STANDARD ADDITIONAL PROJECT INCENTIVES

January 1 through December 31, 2022

Looking for smart ways to improve your facility and save on operating costs? ComEd offers incentives for upgrading lighting, heating, ventilation and air conditioning (HVAC) equipment, energy management systems, refrigeration and more. Now, ComEd offers additional project incentives that can help your organization **save even more** on upgrades.

NEW! SPRING FORWARD

- 20% incentive for all standard applications submitted between April 18 and June 1, 2022, including:
 - Private and public sector customers who complete a standard project by June 1, 2022
 - Private and public sector customers who submit a new pre-application for a standard project by June 1, 2022, and complete the project by October 31, 2022
- This additional project incentive **can be combined** with other additional project incentives. See page 2 for details.
- This additional project incentive can only be applied once per project.

LEEP (LARGE ENERGY EFFICIENCY PROJECT) AHEAD!*

- 20% incentive for private sector customers that complete a new 2022 standard project with a final incentive of at least \$50,000 by October 31, 2022.
- 20% incentive for public sector customers who complete a new 2022 standard project with a final incentive of at least \$25,000 by October 31, 2022.

SCHOOLS*

- 20% incentive for private and public sector K-12 schools who complete a new 2022 standard project by October 31, 2022.

DISTRESSED COMMUNITIES*

- 30% incentive for customers in distressed communities who complete a new 2022 standard project by October 31, 2022. Eligibility for these additional project incentives is determined at city level, except for the City of Chicago where eligibility is defined by zip code. Please find the 2022 Distressed Community Eligibility list below. Both private and public customers are eligible.
