Ascension Illinois: Mission, Vision, and Values

MISSION

*Rooted in the loving ministry of Jesus as healer, **we commit ourselves to serving all persons** with special attention to those who are poor and vulnerable. Our Catholic health ministry is dedicated to spiritually centered, holistic care which sustains and improves the health of individuals and communities. We are advocates for a compassionate and just society through our actions and our words.*

VISION

We envision a strong, vibrant Catholic health ministry in the United States which will lead to the transformation of healthcare. We will ensure service that is committed to health and well-being for our communities and that responds to the needs of individuals throughout the life cycle. We will expand the role of laity, in both leadership and sponsorship, to ensure a Catholic health ministry of the future.

VALUES

- **Service to the poor:** Generosity of spirit, especially for persons most in need
- **Reverence:** Respect & compassion for the dignity and diversity of life
- **Integrity:** Inspiring trust through personal leadership
- **Wisdom:** Integrating excellence and stewardship
- **Creativity:** Courageous innovation
- **Dedication:** Affirming the hope and joy of our ministry
