

# POWER HOUR

## MANUFACTURING AUTOMATION

**WEDNESDAY, SEPT. 19, 2018**  
**12:00 NOON - 1:00 P.M.**

Kankakee Public Library • 4th Floor Auditorium  
201 E. Merchant St., Kankakee, IL 60901

Join us for a discussion on automated manufacturing, custom software, and mechanical, electrical, and plumbing (MEP) design. E2i has built a reputation for providing automation and process knowledge for the Life Sciences, Food & Beverage, Chemical, and other manufacturing industries. E2i's experienced engineers provide solutions for your manufacturing environment or your building design.

**COST: \$10 PER PERSON, INCLUDES BOXED LUNCH**

**For more information, contact:**
